PROJECTS

Housing Insights
I created the selection filter using Semantic UI and JavaScript for this civic hacking project with Code for DC.

Book Club App
This Ruby on Rails app has six nested models, CRUD functionality, and user-authentication.

DC Trivia Game
For this game, I used vanilla JavaScript to advance the questions and keep track of the score.

WLM Event Page
I created this site for the NAFSA Washington Leadership Meeting using HTML, CSS, and JQuery.
